**Fade resistant plastic bollard covers are easily installed and quickly transform unsightly steel pipe bollards.**

#### Tech notes:

- Manufactured to fit over 4 and 6 inch round pipe.
- Available in yellow, blue and red.
- Covers are 60 inches in length and easily cut down to fit over shorter bollards.
- Recesses allow the optional application of two 3/4 inch wide reflective tape bands for better night time visibility.
- 4 inch bollard cover has an inside diameter of 5 inches.
- 6 inch bollard cover has an inside diameter of 7 inches.
- Made in the USA.

DOMED TOP PREVENTS ACCUMULATION OF RAIN, DIRT AND DUST
