A wide variety of ANSI compliant safety apparel is stocked here at Traffic Supply, Inc. We carry a large stock of ERB safety vests, pants, sweatshirts, hard hats and neck shields, and raincoats by 2W International.

Tech notes:

- ANSI class II vests are sleeveless.
- ANSI class III vests and jackets have reflective sleeves for increased visibility.
- Non-ANSI compliant vests should not used within the public right of way.
- Additional styles and sizes of vests, jackets and rain suits by ERB, 2W International and ML Kishigo are available by special order.
