**F 760-737-0450**

[TrafficSupplyInc.com](http://TrafficSupplyInc.com)

**Many common vertical hydraulic shore and shoring pump repair parts are stocked at Traffic Supply, Inc.**

## Tech notes:

- Some parts, such as seals and pump repair kits are specific to GME and Safe-T-Shore style vertical hydraulic shoring and plastic shoring pumps.
- Fittings, hoses, gauges and similar parts will interchange with most products, regardless of manufacturer.
- Other GME repair parts and accessories available by special order.
